FACULTY & STAFF

DONALD PELLEGRINI

Affectionately known to his friends of all ages as "Pelle", Westie's headmaster since 1978 was recruited away from us in November by Superintendent Thomas Payzant.

The newly-appointed superintendent must have recognized the many fine qualities that we in WRHS have long appreciated. He called on Mr. Pellegrini to work on important planning projects at the school system's central offices at Court Street.

As he promised when he left, Pelle has been back for brief visits to West Roxbury High. It's always a reassuring pleasure to see him around the school and we look forward to his keeping the promise to attend our graduation in June.

In Memory of

Louis D. Brown

A FACE NEVER FORGOTTEN

Everyone on this Earth was born to serve a purpose. Louis Brown's purpose was taken away on December 23, 1993 at three o'clock in the afternoon. He was on his way to a Teens Against Gang Violence Meeting when he was hit with a stray bullet fired in the streets by rival gang members.

Everyone of us suffers the loss of Louis who was a sophomore honor student with hopes of becoming the first black President of the United States.

To some Louis was a great student and well respected member of the class of '96, to others he was a wonderful friend. Now we will carry Louis in our hearts, and as his senior class of '96 walks across the stage to receive our diplomas, Louis will be in our thoughts with **what could have been.**

The Class of 1996 Yearbook is dedicated to the memory of our classmate Louis D. Brown.
